General Return Guidelines

- **With Proof of Purchase:** Items returned with a valid receipt within the specified timeframe will be refunded to the original form of payment.
- **Returns Without Receipt:** Items returned without a receipt require a valid government-issued ID. Refunds will be issued as a FreshMarket Store Credit calculated at the lowest sale price of the item over the past 30 days.
- **Digital & App Purchases:** Online, delivery, and curbside pickup orders can be returned in-store using the order confirmation receipt from the FreshMarket mobile application.

Fresh Guarantee: If you are not completely satisfied with the quality of any FreshMarket produce, meat, or bakery product, return it with your receipt within 7 days for a 100% replacement or refund.

Non-Returnable Exceptions: Due to health and safety regulations, opened baby formula, alcoholic beverages, gift cards, prepaid cards, and clearance items marked "Final Sale" cannot be returned or refunded.
